How it all started

Crossbar Christian Academy was a mission. After being in public education for 30 years, I didn't agree with the direction that it was taking. I felt that there was so much that the "standards" were missing. So many kids didn't understand how to use education in real life experiences. So much time was being wasted and I was tired of the "cancel culture". It is time to get back to Reading, Writing and Arithmetic. Meeting kids where they are and bringing them where they need to be, is the most personal form of education. After praying about it for years and trying to avoid what God was telling me to do, he led me to begin this micro-homeschool.

At CCA, we will learn from not only a hands-on approach, but we will work to discover what the best learning environment is for each of our students. While offering the the basic classes, we will also offer a variety of programs that help each of our students connect education with real life experiences

A Word from our Pastor

Hello! Welcome to CrossBar Christian Academy. My name is Mike McGee. I currently serve as the Pastor of Happy Acres Cowboy Church . We welcome your students to our school - and we hope to train them to be learners and students of the Word of God.

The choice of where to enroll your student is a very important and sometimes difficult decision. You want your student to receive the best possible education. Does that mean public education or something just a little bit different? Perhaps a Micro School would fit your child's needs.. Is it worth the sacrifice financially? Is Christian education really that important anyway?

It is our belief, a Christian education is vital for our young people. The Bible says in Proverbs 1:7, "The fear of the Lord is the beginning of knowledge..." The true beginning of education is an understanding of the order that God has placed in our world. From this brings an understanding of the laws of science, math, and even language.

My goal for each of our students is for them to leave our school with the ability to be godly, functioning members of society. I want them to be fully equipped for the direction that God has for their lives. This means that our school will prepare them academically, about character and godly lifestyles. They will learn the benefits of diligence and hard work.

I hope that we have the opportunity to partner with you in the education of your student. Please know that we will be praying with you as you make this important decision.

Educational Partnership

We view Christian education as a team effort. The value of education begins at home. Involved and informed parents are an essential element of a well-educated student. Our mission at CCA, is to be the best possible resource to assist parents in making the most of the student's learning journey. Just as a dentist makes a plan with you for your child's dental needs, or the physician shares their medical expertise regarding their physical needs, the teacher assists parents with their child's educational needs. At CCA, parents and teachers share an obligation to communicate effectively to reach the desired educational outcome for your family..

Orientation Meetings

Each year begins with a Parent/Teacher/Student orientation. This is the first contact of the year after enrolling your children in Crossbar Christian Academy. This is the perfect time to get acquainted with your child's learning environment as well as meet other parents and students of CCA. Attending the orientation is the first step in establishing good communications.

Online Communication

Advancing technology has made communicating timely and effective. Suppose you have a question in the middle of the night or perhaps during the school day when the teacher is unavailable? Email is the answer. We will respond as soon as possible..

Parent/Teacher Conferences

Parent/Teacher conferences are scheduled with each family to ensure proper communication and awareness. However, we are available after school to answer any general questions and special conferences can be set up at any time to discuss your child's personal needs.

What is a Christian education worth? The average family pays anywhere from just under **\$5,000** to over **\$10,000** to place their children in a Christian school and over **\$27,000** in some secular schools.

How much is Christian education worth to you?

Tuition and Fees

This is one area in which we are proud to be **well below average!** In fact, our tuition is less than half of the lowest national average. We desire for Christian education to be affordable. Our church, Happy Acres Cowboy Church, provides resources that permit us to offer a private, Christian education at a price you can afford. We serve as missionaries in Christian education, accepting salaries far below the average because we care about making a difference for today's families.
